Rules for Engagements

There is no charge for wedding and engagement announcements published in the OBSERVER. Photographs that are submitted for publication will be considered based on reproduction quality.

ENGAGEMENTS

Engagement announcements may be accompanied by a photograph if the announcement is submitted three weeks prior to the wedding date. After that time, a brief engagement article will be published without a picture. All engagements are published in the Sunday OBSERVER. The OBSERVER publishes wedding and engagements in a timely manner at the discretion of the editor.

The OBSERVER will mail photographs back if a SASE is enclosed.
